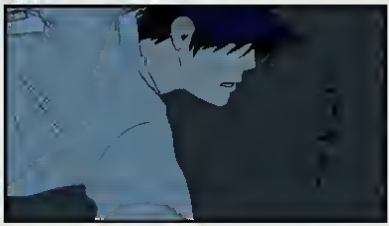
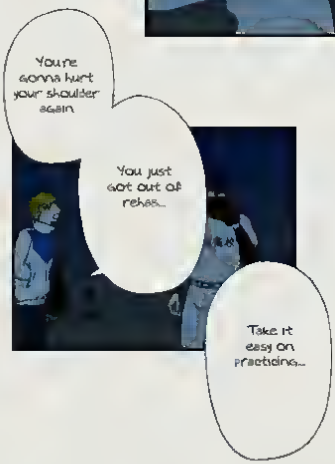
Huh? Isn't that Inoo?

Hey! You're not going home yet?





You're gonna hurt your shoulder again
You just got out of rehab...
Take it easy on practicing...

?

What's wrong with him?
Dunno ?

ドキドキ
ミョニ
ズキズキ

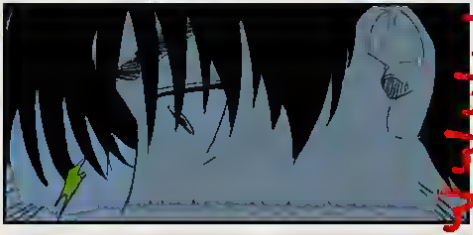
Yeah?
Maki you know...
If I said I was going to stop playing baseball... what would you do?
Kanata-kun! Where are you now?
On my way home
Hello, Maki
What-! Isn't it obvious! You absolutely can't do that!
Did you forget our promise?
You said you'd win the city championship and persuade your dad!

Why are you suddenly... Did you get injured?
No... I just wanted to try asking
Stop! Don't jinx it!
Ah, because it's a girl's meetup <3
Yeah... Don't get home late
It's sounds pretty noisy over there
Can you hear it? Right now I'm doing karaoke

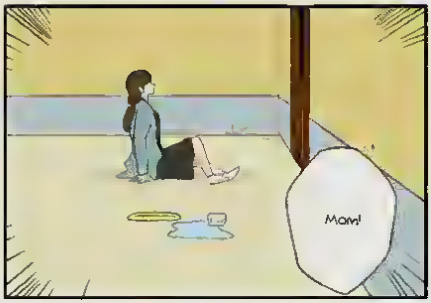
I will definitely succeed
So don't tell me to quit baseball

I was planning to ask him to believe in me just once

キャアアアアッ！



Mom!
Where are you!



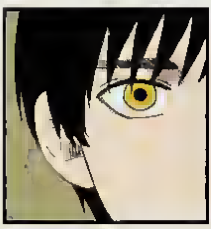
Mom!

What about dad? Where did he..?
How long have you been like this?

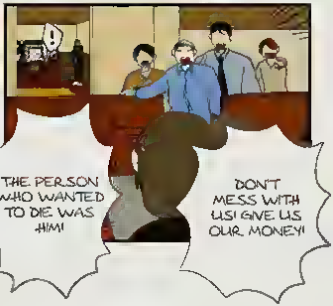
What's wrong?

My dad

was looking down on me until the end



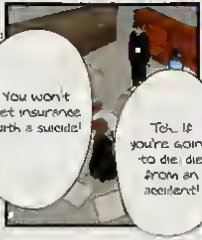
He didn't believe in me
Until the end..



THE PERSON WHO WANTED TO DIE WAS HIM!
DON'T MESS WITH US! GIVE US OUR MONEY!

RETURN THE MONEY!
DAMN IT

WHAT ARE YOU DOING!

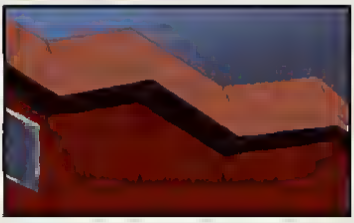


You won't get insurance with a suicide!
Tch.. If you're going to die, die from an accident!

YOU KNOW WHAT WILL HAPPEN IF YOU DON'T RETURN THE MONEY SOON?

But strangely

I couldn't shed a tear



You can come back here any time you want!
Yes...
Thank you for taking care of me until now
So it's that kind of situation...

パタン

Kanata-kun

Were you that weak?
When you said you were quitting... it wasn't a joke!?
You're not even hurt and you want to give up like this?

Maybe that's how you saw me...
Ah...Sorry for making the mood sad
Weak..?
Just how much should I comply to your wishes?
Wanting another person to understand me perfectly
!!!
was useless

But
strangely

!
You don't have an umbrella again?

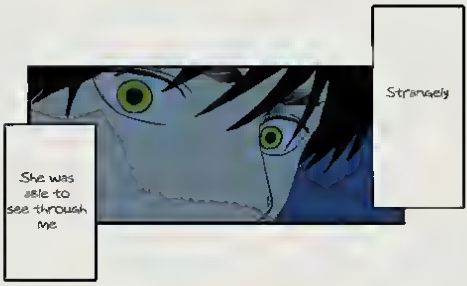
Tada~! Here's mine!

Even if I said I could let you borrow it
I can't let you borrow it~

ザァァァァ…

Even though Onii-san's laughing

Why does
my heart hurt?



Strangely
She was able to see through me

The feeling when your throat goes zuki~!
I couldn't hide myself from this girl

Throat goes zuki~?

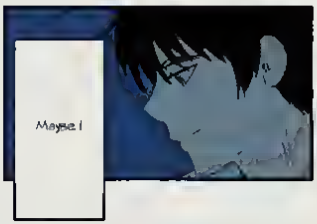
Why? No matter how much I think of it, I don't understand

It's the same feeling as when Setamoon dies! That's when my mom said his chest hurts

When Oni-san laughed my throat went ZUKI-N!

As expected kids are honest

I'M NOT A KID! YOU DON'T KNOW ANYTHING!

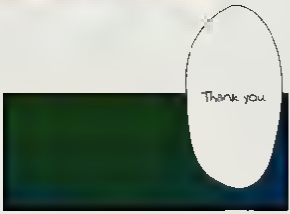


Oni-san
Earlier you said it would be nice if tears came out

Don't worry

It will cry for you!
This is the Tunnel of Tears, so

This girl may have been supporting me
More than I could ever imagine



This was the last chapter I was able to do before spring break ended.
Looking at the amount of work I have this semester I've decided to take a break
from scanlating.
I'll start working on this again when the semester ends and will go until ~ch55
Thanks for reading Sikeum Saekeum and hopefully I'll see you again!
